Night & Day

Vök

As the air is turning colder
As the light is getting dark
You feel the frost that comes with dawn
As we warm against the flames

I will give you my whole world
And I know it for a fact, you will be mine
'Cause I feel you all the time
Ohh-oh-oh, you will be mine

Ohh-oh-oh
(Will be mine)
Ohh-oh-oh
Ohh-oh-oh
(You will be mine)
Ohh-oh

As we move a little closer
And you're saying all the things that I wanted you to say
With my hand against your face again
Feel the pulse inside your head
Still you don't remember how I wanted us to stay

Keep me safe
Am I not the one you want?

It's a matter of time
Ohh-oh-oh, you will be mine
I feel you all the time
Ohh-oh-oh, she will be mine
(She will be mine)
She will be mine

Hands down, I'll give you my whole world
Hands down, I'll give you my whole world
Hands down, I'll give you my whole world

You keep me safe
Am I not the one you want? Oh no
What does she crave?
She doesn't want me at all

Ohh-oh-oh
(Will be mine)
Ohh-oh-oh
It's a matter of time
Ohh-oh-oh
Ohh-oh-oh, she will be mine
Ohh-oh-oh
I feel you all the time
Ohh-oh-oh
Ohh-oh-oh, she will be mine
(You will be mine)
Ohh-oh-oh
She will be mine

Ohh-oh-oh

(You will be mine)
Ohh-oh
