

After Fire

VNV Nation

We have been waiting for you, anticipating you
We shall not lose faith in all that is heaven
And Heaven is such a small place

Seconds to minutes to hours to days
Screaming for something that's something I will never hold
All around you is tinder for the Gods

Seconds to minutes to hours to days
Screaming for something that's something I will never hold
All around you is tinder for the Gods

Storms across the battlements
The afterfire
Storms across the battlements
The afterfire
