

THE LONELY PEOPLE

Void Of Vision

I'm about to let go
Oh I know
That this is inexhaustible
Oh I know
Can you feel it swimming through your bones?
Oh I know
This shit is only chemical
Here we go into another downward spiral

A narcissistic dose, just to cover the hole
I'm losing all self control
This Imposter syndrome, at one with my soul
Let the backburner take its toll

Alone
Grasp firmly, put me out of my misery
Alone
Speak sharply, put me out of my fucking misery

I'm about to let go
Oh I know
That this is inexhaustible
Oh I know
Can you feel it swimming through your bones?
Oh I know
This shit is only chemical
Here we go into another downward spiral

Here we go
I'm about to let go
Can you feel it swimming through your bones?

I know, I know
I know, I know we're all alone
The need for more, can you feel it? Chemical
I know, I know
I know, I know we're all alone
The need for more, can you feel it in your bones?

Can you feel it in your bones?
