

## 4GET

VOILÀ

I'm paying 14 dollars for a drink  
They're playing 4 Drake songs on a loop  
And now it's 4 o'clock in the morning  
But I can't seem to 4get you  
4get you  
4get you  
4get you  
4get you

Hello welcome to my world  
I thought that you were the right girl  
So tell me what am I thinkin'  
Buyin' a pink drink  
For girls who know nothing  
About blink one eighty two  
Or the things we were into  
How  
Can I  
Get out

So I stand in the back cause I'm having the worst time  
How can I hear over 808 basslines?  
How many times can a song play in one night?  
Somebody please stop 'blinging his hotline'  
Here in the back cause I'm having the worst time  
Wanna go back to wherever you were mine  
How  
Can I  
Get out?

4get you  
4get you  
4get you  
4get you

Hello, why am I faking  
Interest in Kardashian babies  
And who Scott Disick's dating?  
All of this shit  
Is just driving me crazy  
I hate that there's glitter on my shoes  
Who cares who the bachelor will choose?  
How  
Can I  
Get out

So I stand in the back cause I'm having the worst time  
How can I hear over 808 basslines?  
How many times can a song play in one night?

So I'll sneak out the back and I'll head to the west side  
And walk 40 blocks cause there's no way I could drive  
And darling I know that it's way past your bedtime  
But I couldn't seem to get you off of my mind  
We'll dance in your flat to Nirvana and Sublime  
And open a 4 dollar bottle of white wine  
How  
Do I  
Get out
