Ah ey ey ey hey hey anyway  
Ah ey ey ey hey hey anyway  
Ah ey ey ey hey hey anyway  
Why won't you love me anyway

But I'm not the guy, daddy wants by your side  
I'm a no rule, love fool, break into the hotel pool  
Not prince charming, I'll never be  
Yeah I'm not the guy, daddy wants by your side

But I'll tutor you in chemistry  
We are opposites attracting  
Fire and water, we are making steam  
In the back seat of your daddy's mercedes

You're a lot like me  
Don't know what to say  
Follow and be free  
You'll find a way  
Don't know what to be  
Maybe wait and see  
Why won't you love me anyway

Ah ey ey ey hey hey anyway  
Ah ey ey ey hey hey anyway  
Ah ey ey ey hey hey anyway  
Why won't you love me anyway
