

Playing Dead

VOILÀ

An over-watered rose will die
Love is damage in disguise
Could never say that I never tried
I held you with my hands tied
If it's true that love is blind
What did I fall for at first sight?
'Cause love is damage in disguise

Broke clocks are right two times a day
My broke heart is just one in the same
Once when you take my breath away
And when I suffocate (-cate, -cate)

But if this is the last time I say sorry
Well I take it back 'cause I don't mean it
You are the cancer in my body
I'm done playing dead 'cause I still feel it
'Cause I'm
I'm sorry not sorry
And I'm done playing dead
I'm sorry not sorry
I'm done playing dead
I'm sorry not sorry
I'm done playing dead
I'm sorry not sorry

And all the diamonds in your eyes
Were just your tears catching light
A bitter crime with no alibis
You can't kill what has already died

Broke clocks are right two times a day
My broke heart is just one in the same
Once when you take my breath away
And when I suffocate (-cate, -cate)

But if this is the last time I say sorry
Well I take it back 'cause I don't mean it
You are the cancer in my body
I'm done playing dead 'cause I still feel it
'Cause I'm
I'm sorry not sorry
I'm done playing dead
I'm sorry not sorry
I'm done playing dead
I'm sorry not sorry
I'm done playing dead
I'm sorry not sorry

You know I could be the tour guide
Help you find, find your darkest side
You know I could be the tour guide
Mm mm
You know I could be the tour guide
Help you find, find your darkest side
You know I could be the tour guide
Find your dark side

But if this is the last time I say sorry
Well I take it back 'cause I don't mean it
You are the cancer in my body
I'm done playing dead 'cause I still feel it - it - it
But if this is the last time I say sorry
Well I take it back 'cause I don't mean it
You are the cancer in my body
I'm done playing dead 'cause I still feel it
'Cause I'm
I'm sorry not sorry
And I'm done playing dead
I'm sorry not sorry
I'm done playing dead
I'm sorry not sorry
I'm done playing dead
I'm sorry not sorry
