

## Table For One

VOILÀ

It's been  
6 months since I've seen you horizontally  
There's distance  
But I feel you right in front of me  
There's a ghost in my passenger seat  
And it's staring at me  
Like  
On and on and on I'm waiting  
On and on and on

Plot twist  
What if we never kissed  
Would all this bullshit even exist?  
I'm lovesick  
You're heartless  
Hope you're having fun  
While I sit at a table for one

Plot twist  
I wish that we never met  
And I quit  
I pay rent to live in my head  
I'm lovesick  
Your heartless  
Hope you're having fun  
While I sit at a table for one

6 months since I've seen your heels over your head  
Wishing you would fall head-over-heels instead  
Like blowing a kiss in a storm  
Guess that my love is off course  
On and on and on I'm waiting  
On and on and on

Plot twist  
What if we never kissed  
Would all this bullshit even exist?  
I'm lovesick, you're heartless  
Hope you're having fun  
While I sit at a table for one

Plot twist

I'm lovesick, you're heartless  
Hope you're having fun  
While I sit at a table for one  
While I sit at a table for one

It's been  
6 months and I dream about you constantly  
Is this love or is there just something wrong with me  
There's a ghost in my passenger seat  
So why am I lonely?  
On and on I've waited  
Why am I lonely?

On and on and on  
Why am I lonely?  
On and on and on I've waited  
So why am I  
On and on and on  
Lonely?

Plot twist  
What if we never kissed?  
Would all this bullshit even exist?  
I'm lovesick, you're heartless  
Hope you're having fun  
While I sit at a table for one
