

We Could Be The Future

VOILÀ

Ooh ooh ooh
Ooh ooh ooh

So quietly we slip away
Losing our direction
Looking for connection
Take a twist
Make a turn
Take a chance and we could learn

Oh
So come on I'll take you for a ride
Chasing our sun without headlights
Live in the moment do or die
Come on
Come on
Come on now

Running through the night
Feeling so alive
Baby, haven't you heard we could be the future?
Never looking back
Throw away the past
Baby, haven't you heard we could be the future?

Ooh ooh ooh ooh
Ooh ooh ooh ooh
Ooh ooh ooh ooh
Ooh ooh ooh ooh

If all we got is here and now
Nowhere bound in a crowd out of town
Taking off into the clouds
Live it up feeling like we're never coming down

Oh
So come on I'll take you for a ride
Chasing our sun without headlights
Live in the moment do or die
Come on
Come on
Come on now

Running through the night
Feeling so alive
Baby, haven't you heard we could be the future?
Never looking back
Throw away the past
Baby, haven't you heard we could be the future?

Ooh ooh ooh ooh
Ooh ooh ooh ooh
Ooh ooh ooh ooh
Ooh ooh ooh ooh

So quietly we slip away
So quietly

Running through the night
Feeling so alive
Baby, haven't you heard we could be the future?

Running through the night
Feeling so alive
Baby, haven't you heard we could be the future?
Never looking back
Throw away the past
Baby, haven't you heard we could be the future?

Ooh ooh ooh ooh
Ooh ooh ooh ooh
Ooh ooh ooh ooh
Ooh ooh ooh ooh
