

## Ruby Pool

VOLA

I wanna lay my head down now  
I wanna turn the tide somehow  
I wanna lay my head down now  
I wanna turn the tide somehow

We are the lonely kids falling away from this  
Tedious swarm of bliss inside  
We're in a ruby pool left with a kingdom rule  
Shiny without a jewel in life

I wanna lay my head down now  
I wanna turn the tide somehow  
I wanna peel my face in doubt  
I wanna wrap my arms around you

We are the lonely kids falling away from this  
Tedious swarm of bliss inside  
We're in a ruby pool left with a kingdom rule  
Shiny without a jewel in life

I wanna lay my head down now  
I wanna lay my head down now  
I wanna lay my head down now  
I wanna lay my head down now
