

We Will Not Disband

VOLA

Truth be told
I don't remember what went down but I'm still cold
Light the fuse
I won't be able to contain this canned youth

We saw the lights in this broken land
We saw the kites in the crystal bell
We crush the night with our broken hands
We will not disband

Truth be told
We found a trail across the roof in a blindfold
Amplified
We're louder than the universe on the inside

We saw the lights in this broken land
We saw the kites in the crystal bell
We crush the night with our broken hands
We will not disband

(Through the flood) We will not disband
(Through the mud)
(Through the blood) We will not disband
Through the

We saw the lights in this broken land
We saw the kites in the crystal bell
We crush the night with our broken hands
We will not disband
