Return To None

Volbeat

Ooh

Count down from dawn
You reap what you have sown (Ooh)

Harvest moon, how smooth
Harvest moon is coming soon

When the day is gone
You'll burn, return to none, ah (Ooh)

Harvest moon, how smooth
Harvest moon is coming soon

Your world will die
Stained by blood in a rising tide
Your world will die
Stained by blood and erasing time

Return to none
Return to none
(Ah, hahahaha, ow)
