The Bliss

Volbeat

Memory, your lamp light is burning holes
Recover the damage, bring it all home
Follow the bliss just like Summer song
Please stay there forever, I'll try to remember
Come home

Memory, you gave me another note
A voice that is endless, bring it all home
Oh what it is feels like a Summer song
I'll stay here forever, her face I remember

Presenting a new beginning
Forever you and I
And when the morning gets lonely
And life is out of sight
Then we'll be leaving together, you and I

Happiness, I'm sorry you've been on hold
The doors will be open, bring it all home
Cause what it is, feels like a Summer song
I'll stay here forever now that I remember

Presenting a new beginning
Forever you and I
And when the morning gets lonely
And life is out of sight
Then we'll be leaving together, you and I

For all these symbols don't open our eyes
We'll close them instead, leave the messenger behind
But one day we will know...

Presenting a new beginning
Forever you and I
And when the morning gets lonely
And life is out of sight
Then we'll be leaving, then we'll be leaving...
Presenting a new beginning
Forever you and I
And when the morning gets lonely
And life is out of sight
Then we'll be leaving together, you and I

Then we'll be leaving together, you and I
Then we'll be leaving together, you and I
