

Neon Eyes

Volumes

Unworthy target
It'll take you out regardless
As I sit here with the television on
And the sound off
Commercial after commercial

I'm so lucky to define it
By my self regret
As I perceive narcotic
Living life always keeping the weight in line
But then you see the world just like I do

Feed me until I'm sick
Drown me out in white
Drown me out along with everyone
Not even here to fight this fight

Burn it all as I sit back and watch discussions
Not to be heard when I watch you talk, forget it
Neon eyes always seeing the darker side
But then you'll see the world just like I do

Unworthy target
Let me tell you right now
He doesn't give a f*ck
See him walking down the freeway

And it's twelve o' clock
But I see him standing tall
He's held up in an office on the 20th floor
He turns it off
He turns it all off

The power to my city as we know it
The power to my city as we know it
f*ck, f*ck, f*ck!

On my knees
And I worship you with every pore
I'd snort it all, I'd snort it all

It's called addiction
Caught up in the system
The friction of feeling constricted
Oh I'm lost, I'm lost, I'm lost

Without a depiction
My soul's a victim afflicted
I know I'm a sick kid
Oh I'm gone, I'm gone, I'm gone

Drown me out along with everyone
Not even here to fight this fight
