Dead Man Stalking

Vomitory

In a trail of blood, a trail of stench
A gruesome hunt for mortality
Reveling in putrescent gore once more
Doomed to everlasting hunger, a machine
Created for eternal devourment
A never ending carnage

A shade reborn from hate, reborn from agony
Covered in sore, pus and infected blisters
Deformed entity, lurking in the shadows
Transforming into a corpse of rotten flesh

Dead man stalking, cadaverous ghoul
Dead man stalking, cadaverous ghoul

A foul odour, vaporize the blood vessels
Deformed shadow, a breathing toxic death

Dead man stalking, cadaverous ghoul
Dead man stalking, cadaverous ghoul

Dead man stalking, cadaverous ghoul
Dead flesh comes alive to kill once more
Dead man stalking, cadaverous ghoul
Dead flesh comes alive to kill once more
