

Decrowned

Vomitary

Macabre creature rise, from the spawn of lies
Festering son of flies
Never ending cries, reveal the unholy disguise
No more paradise

Jesus Christ, bleeding son
Whip his flesh, take his crown

Seal the bastard's fate, to mortality mutate
Only time to hate
They try to reinstate what their commandments dictate
Time to desecrate

Jesus Christ, bleeding son
Whip his flesh, take his crown

You will never die again
No salvation through your pain
As you go insane
We will forever reign
Mortified, you're sacrificed
Forever immortalized
As he commands
As he demands
You will die as lambs

Nail the hands, nail the feet
Bleeding meat
Your faith is obsolete
Feel your father's deceit
As your death's now complete
Total religious defeat

Jesus Christ, bleeding son
Whip his flesh, take his crown
