

Raped, Strangled, Sodomized, Dead

Vomitary

Perverted cruelty, stalking the prey
In for the kill, reincarnated sin
Kill, devour, a beast of man
Savage hunter, a morbid taste for blood

Raped, strangled, sodomized, dead
The mangled body was left to die
Raped, strangled, sodomized, dead
The desecrated body left to rot

The horror, the scars and pain
Reaping the innocent, inhumane
The power, the strength, overviolent perpetrator
In the end there is only death

Raped, strangled, sodomized, dead
The mangled body was left to die
Raped, strangled, sodomized, dead
The desecrated body left to rot

Raped, strangled, sodomized, dead
The mangled body was left to die
Raped, strangled, sodomized, dead
The desecrated body left to rot
Left to rot
