

Freedom Fighter

Von Herten Brothers

The parting day
His mothers prayers
Send him on his way
His way to

Invade, destroy and fall
This is what they called him for
'Freedom fighter'

It's only natural
This is what his life is for
'Freedom fighter'

A far-off place
With none to turn to
He drops his face and prays:

Dear mister jesus,
Or someone who sees us
They're not our neighbors and
You're not their savior

Will he live tomorrow?
Will this last forever?
There's only death and sorrow!
Is it just too late?
Late?

Invade destroy and fall
This is what the war is for
'Freedom fighter'

It's only natural
This is what he's dying for
'Freedom fighter'
