

Cry for Love

Voodoo Circle

I remember, thoughts from yesterday.
In my soul I need to break away.
At night I dream of you, and I don't know what to do.
I can feel you deep inside my heart.
I've been waiting trying to make a brand new start.
Just need to let you go, before the pain does show.

There's a place I keep the words you left me.
Deep inside my mind.

Take a bit of love in your heart.
All the things I remember.
Take a bit of love in your heart.
Sacred words I should know.
Take a bit of love in your heart.
I don't want to surrender
Take a bit of love in your heart.
You should know your inside me.
You gotta let me go!

I was blinded, blinded by your smile.
No I can't deny what you mean to me.
Did you just waste my time?
That's not your only crime, baby.

Maybe one day you will understand me, when you hear these words
!

Take a bit of love in your heart.
All the things I remember.
Take a bit of love in your heart.
Sacred words I should know.
Take a bit of love in your heart.
I don't want to surrender.
Take a bit of love in your heart.
You should know your inside me
You gotta let me go!
