

All Due Respect

Vory

(We got Xander)
(Yo Nick Papz, make it slap)

Ayy/Hey, fuckin' on you for four days straight
She cummin' back to back
I'm gettin' too attached, I can't go out like that
Already fucked your mind before I had your kitt'
Already knew you're mine before we actually met
Thousand times I fucked you in my mind, with all due respect

Heart cold but I'm bringin' the sweats
Bank too, I keep cuttin' them cheques
Hoes hate when I post you all the time, you making 'em mad (Mad)
Girl, you gettin' these hoes upset
Got me thinking 'bout freezing your neck, for real
Netflix, ain't got no chill
This shit feel way too real
I just might seal the deal, for real
All depend on how you feel, oh yeah (Yeah)

Ayy/Hey, fuckin' on you for four days straight
She cummin' back to back
I'm gettin' too attached, I can't go out like that
Already fucked your mind before I had your kitt'
Already knew you're mine before we actually met
Thousand times I fucked you in my mind, with all due respect

I wish I can fuck all the time (Ooh)
I can't have you fuckin' up my mind (Ooh)
Late-night you been blowin' up my line (Ooh, ooh, ooh)
Baby girl, you fuckin' up my grind
One thing's for certain, nothing is for certain (Ooh, ooh-ooh-ooh)
Close the curtains, come and close the curtains, hmm
Can't act, can't act like I don't want it
Can't act, can't act like I don't love it, oh, oh-oh-oh
Feels warms each time I touch it, ah, ah-ah-ah
We might just take it public
I'm way too attached, from four days back to back
Four ways back to back, from the hallways to the bed
Makin' yourself at home, you in your natural habitat
Baby, I'm in the zone, can't let go, you ain't havin' that

Ayy/Hey, fuckin' on you for four days straight
She cummin' back to back
I'm gettin' too attached, I can't go out like that
Already fucked your mind before I had your kitt'
Already knew you're mine before we actually met
Thousand times I fucked you in my mind, with all due respect
