

Chanel Fix

Vory

What's happenin' Chi Chi
68 straight cook this motherfucka up
Yeah

Yeah
Say I broke your heart, but I didn't mean to
You say you been hurting baby me too
Saw right through your feelings girl you see through
She tryna get revenge tryna get equal

Chanel fix, everything
Them hoes and your bitches they keep meddling
Chanel fix, everything
Know they ask you questions please don't say a thing
Oh baby

What about the shit that we went through
All the shit we been through
Icy shells round here
Don't talk to no 12 round here

I ain't saying I paint a perfect picture
I ain't saying that Chanel can fix you
I ain't saying that the cash can fix you
I fuck with Cash yeah that's my nigga
Yeah
I'm a young rich nigga from the trenches yeah

Opps tryna find the shots they miss me
By some inches shit
Know that you bad but baby please don't take it there
First name like my last name
In Chanel they know me well cuz
I say Chanel they know me well cuz

Chanel fix, everything
Them hoes and your bitches they keep meddling
Chanel fix, everything
Know they ask you questions please don't say a thing
Oh baby

All these c's on me they prolly think I'm average
I keep this shit too P niggas having double standard
And Chanel know how I come
Every pair I need 41
Every pair I need more than 1

Yeah
First name like my last name
My receipts I kill the beat repeat
Take my bitch on shopping sprees all week
She told me talk is cheap
Got the game on lock and key
No cap niggas can't fuck with me

Chanel kicks came from overseas
Got back in my bag now they can't fuck with me

Seems like niggas allergic to Gucci they can't even touch a G
I tell my hoe my size and they get plug for free
Spend a couple g's, love how they fit
Since I got right, can't tell me shit

Chanel fix, everything
Them hoes and your bitches they keep meddling
Chanel fix, everything
Know they ask you questions please don't say a thing
Oh baby
