

# Make Em' Friends

Vory

Ooh babe, you got that shit that make me spin again  
Like come back over baby pop that shit again  
You got all your girls oh baby I got many men  
Let me introduce them to your girls and make 'em friends  
Ooh babe, you got that shit that make me spin again  
Like come back over baby pop that shit again  
You got all your girls oh baby I got many men  
Let me introduce them to your girls and make 'em friends

You can't touch this  
I be on that fuck shit  
I'm not tryna slide with you  
If you just be fucking everybody  
'Cause I be cruising Bentley coupes  
Not Maseratis  
But you got that body  
Make me body everybody  
Ody ody ody ody  
That ass girl, you got a lot of  
Watch it move, baby tryna watch it move  
Get it home, I'ma have to wet the pool

Ooh babe, you got that shit that make me spin again  
Like come back over baby pop that shit again  
You got all your girls oh baby I got many men  
Let me introduce them to your girls and make 'em friends  
Ooh babe, you got that shit that make me spin again  
Like come back over baby pop that shit again  
You got all your girls oh baby I got many men  
Let me introduce them to your girls and make 'em friends

I done had death pon me  
Wished by many men  
Next time bring a friend  
Next time bring a twin  
Freak hoe in Arizona, that's my evil twin  
Tryna be more than locked in  
They tryna keep me boxed in  
Pistol clutching in HiFi  
I'm tryna crack the code to the WiFi  
Perc and shroom on a high high  
I'm tryna take a bitch to the sci-fi  
I'm tryna take a bitch to the whoa whoa whoa, whoa  
Ooh yeah

Ooh babe, you got that shit that make me spin again  
Like come back over baby pop that shit again  
You got all your girls oh baby I got many men  
Let me introduce them to your girls and make 'em friends  
Ooh babe, you got that shit that make me spin again  
Like come back over baby pop that shit again  
You got all your girls oh baby I got many men  
Let me introduce them to your girls and make 'em friends
