

# Overdose

Vory

I might just overdose  
I might just overdose  
Your love, baby. Your love

Yeah  
Hold up

I might just overdose  
I think I had too much  
I cannot take it no more  
Baby, I might just overdose  
I might just overdose  
I might just overdose  
I think I had too much  
I cannot take it no more  
I might just overdose  
I might just overdose  
I think I had too much  
Baby I cannot take it no more  
I might just overdose  
I might just overdose

Hold up

Your Love  
Your Love  
Your Love

Your Love  
Your Love  
Your Love

I might just overdose  
I might just overdose  
I'm moving super slow  
I might just overdose

I might just overdose  
I might just overdose  
I'm moving super slow  
I cannot take it no more  
I might just overdose  
I might just overdose  
I'm moving super slow  
I cannot take it no more  
I might just overdose  
I might just overdose  
I think I had too much  
I cannot take it no more  
I might just overdose  
I might just overdose  
I might just overdose  
I might just overdose

Now baby  
Nobody's perfect, baby  
Promise you'r worth it, baby

I been hurtin' baby girl  
Baby can I get high of your love?  
Hold me down  
Hold me down  
You been down  
You been down  
You been down  
Tell me really what you want baby  
I'm with anything you want baby  
I'm just tryna take you home baby

I need your lovin right now  
I need your lovin right now, right now

Come here

Flex on your ex that's on purpose  
Come thru late night on dem purples  
Flex on your ex that's on purpose  
I put them racks in that berkin  
I put them racks in that berkin  
Mami it ain't no more workin'  
Flex on your ex that's for certain  
I put them racks in that berkin

Drugs drugs drugs yeah  
She be hangin' with my thugs yeah  
Never really what it was yeah  
She gone fuck me for the buzz yeah  
Fuck a über catch the bus yeah  
If you in the city I'll fly you out  
I need that drug that you talk about  
I'll break the bank just to buy you out  
I work it out just to work it out  
I be that wave that you riding now  
I work it out just to work it out  
I be that wave that you riding now baby

Red bottoms drippin on you  
Cinderella slippers on you  
YSL she a stoner  
Jimmy choos and some cognac  
Diamonds dancing all on em'  
I just spent them bands on her  
Paparazzi camera on her  
Percocets and marijuana  
Glad I got my hands on you  
Percocets and marijuana

Yeah yeah yeah

I might just overdose  
I might just overdose  
I'm moving super slow  
I cannot take it no more  
I might just overdose  
I might just overdose  
I'm moving super slow  
I cannot take it no more  
I might just overdose  
I might just overdose  
I think I had too much  
I cannot take it no more

I might just overdose  
I might just overdose  
I might just overdose  
I might just overdose baby
