

## Puppet

Vory

Lil mama told that she comin on the way now  
She ain't got no money so she comin on the greyhound  
I know that she love me she my Marilyn Monroe  
Right now on the sideline one day goin pro  
Shawty she da goat  
Comin on the low  
She make me her puppet while she putting on a show  
Shawty she da goat  
Comin on the low  
She make me her puppet while she putting on a show

Now she comin early I said wait a day  
She said bae I got some jays up on that lay away  
While we waiting imma hit it to the 808  
Pass the rock and she gone dribble while I fade away  
Man it's intense  
And you know been friends  
Shawty dirty finna spray her with da windex  
She at Vasa with that body  
Man she been blessed  
With them blood red bottoms in a thin dress  
Know she love me she do all the right things  
Got me Got me flying through an ultralight beam Mami  
Put that work work in you gone get up off the side  
Ain't No need for shirt and tie, I just wanna see you try

Ayy, Ayy. Not into those games (Games)  
Baby why you playin (Playin)  
You know why I came  
Wonder if I didn't have it all  
L would you look at me the same  
I don't like talking about nonsense  
Just treat my love like incense Burn Burn Burn (Ay)  
But not in front of my eyes  
I cross T's and dot I's  
I ain't going out bad this time  
Nah Nah Nah  
Why you just wanna do me bad baby  
Why you just have to ruin that baby  
Controlling that's your use of waste man  
You mad when you don't get your way man  
And I can't let em control me  
If I waste time you owe me  
Can't criss cross my homies  
Nah Nah Nah
