Try

Vory

Yeah, seems like everything I did, I did for you (You, you)
Every promise that I made, girl I came through (Oh)
Seems like everybody love me, except for you (You, you)
I tried (Tried), I tried (Yeah)

I try, try, try to be there for you
Baby, it's time, time, time to do what you do (No, no, no)
All of the lies, lies, lies, lies, did that for you (Oh, oh)
Baby, it's time, time, time to do what you do (Oh, oh)

Girl, I know that you fed up
Tell your ex-nigga to get his bread up
Tryin' to keep up with my schedule
And I'm too young to settle
I tell you, you could do better
And that shit means whatever
I'm tryin' to fit you in my schedule
Know I could do a little better, yeah, yeah

Girl, I could never treat you like a God to me
Say whatever baby, please don't lie to me (Lie to me)
Girl, you heard what I just said, and you still lied to me (Ohh)
Baby, just know that I tried
'Cause I wanted you by my side (Yeah-yeah, yeah-yeah)

Baby, it's time, time, time to do what you do (No, no, no)
All of the lies, lies, lies, lies, did that for you (Oh, oh)
Baby, it's time, time, time to do what you do (Oh, oh)

Girl, I know that you fed up
Tell your ex-nigga to get his bread up
Tryin' to keep up with my schedule
And I'm too young to settle
I tell you, you could do better
And that shit means whatever
I'm tryin' to fit you in my schedule
Know I could do a little better, oh

But that just ain't enough, no
