

Shadow Man

VOWWS

There's a shadow man folding away a smile
To stare me down
It's all about the lines in your mind
The signs all around

I'm not my own and the sun in your eyes is gone
I don't know where you are, it's been so long
I stop and watch you drift away

Days are slower now, waving away the light
Wearing out
It's over now, disintegrated mind
I lost it all in time

I'm not my own and the sun in your eyes is gone
I don't know who you are, it's been so long
I stop to watch you fade away
