

The Only One

VOWWS

And the life you remember
Has you turning inside
'Cause there's no sweet surrender
There's no falling in light

Are you one of the lonely ones?
Am I the only one?
Are you one of the lonely ones?
Am I the only one?

It's too good to be over
When our song rings aloud
Put upon me your comfort
There will be no more sound

Are you one of the lonely ones?
Am I the only one?
Are you one of the lonely ones?
Am I the only one?
