

Entropy

Voyager

So you feel the weight of the world on your back?
As you see it is all make believe!
So do I make the call?
No, I hope that all this hype is nothing at all

I'm the familiar voice
I'm the familiar voice of reason
I'm the familiar voice
I'm the familiar voice of change
I'm the familiar choice
I'm the familiar choice in changing seasons
So I turn on the noise
And I turn on the noise so hear me out
So hear me out

So you say that everything's right as rain
As you see it is all entropy!
Oh, do I make the call? (Do I make the call?)
It's as if I'm on my own (If I'm on my own)
Oh, do I reveal it all? (I reveal it all)
Will we take the time to find it's nothing at all?

I'm the familiar
I'm the familiar voice of reason
I'm the familiar voice
I'm the familiar voice of change
Voice so familiar
I'm the familiar choice
I'm the familiar choice in changing seasons
Voice so familiar
So I turn on the noise
And I turn on the noise so hear me out
Voice so familiar
So hear me out

It's a noise I want to matter
It's a noise I want to matter
It's a noise I want to matter
It's a noise I want to matter

It's a noise I want to matter
It's a noise I want to matter
It's a noise I want to matter
It's a noise I want to matter

Oh, oh, oh... familiar
Oh, oh, oh... familiar
Oh, oh, oh... familiar
Oh, oh, oh, oh

Oh, oh, oh... familiar
Oh, oh, oh... familiar
Oh, oh, oh... familiar
Oh, oh, oh, oh

I'm the familiar voice
I'm the familiar voice of reason

Ah, ah, familiar, familiar
Ah, ah, familiar, familiar
I'm the familiar voice
I'm the familiar voice of change
Ah, ah, familiar, familiar
Ah, ah, familiar, familiar
I'm the familiar choice
I'm the familiar choice in changing seasons
Ah, ah, familiar, familiar
Ah, ah, familiar, familiar
So I turn on the noise
And I turn on the noise so hear me out
Ah, ah, familiar, familiar
So hear me out
Ah, ah, familiar, familiar

So hear me out...
