

Harmonica

Vremya i Steklo (Время и Стекло)

Boy, you think you're so slick, don't ya?
You think that I would never get a clue
About a silly trick that you're dancing with
Should've know that I was way too much for you

DJ, play electronica, I wanna hear that sick harmonica

And I don't
And I don't give a fuck
About your romancing
So let's keep dancing

Girl, you think you're so special, don't ya?
Like I can't find no one to take your place
Silly, silicone, easy come, easy go now
You can get the fuck up off my face

DJ, play electronica, I wanna hear that sick harmonica

And I don't
And I don't give a fuck
About your romancing
So let's keep dancing

It's a little too late to say I'm sorry
I don't worry 'cause I know that you're over it now
Just let me hear that song
Play my sad story
Feel the bass shaking the ground
It's a little too late to say I'm sorry
You were the only one for me and now I'm on my own
DJ, won't you take me higher?
And play that shit that will set me on fire

And I don't
And I don't give a fuck
About your romancing
So let's keep dancing
