

SHADOW

VUKOVI

You know what I want 'cause I'm under your spell
(You're under my spell) I'm under your spell
Looking for my body 'cause I've fallen from hell
You've fallen from hell and you're never gonna leave me
Alone

Shadow
Please don't
Let me go, let me go, while I'm dying alone

Hello, does anyone know
Where I left my psycho?
'Cause I'm treading water
Hello, does anyone know
Where I find my shadow?
'Cause I can't go under

You know what I've done and you're never gonna tell
(You're never gonna tell) We're never gonna tell
Have you found my body 'cause I've fallen from hell
You've fallen from hell and you're never gonna leave me
Alone

Shadow
Please don't
Let me go, let me go, while I'm (dying alone)

Hello, does anyone know
Where I left my psycho?
'Cause I'm treading water
Hello, does anyone know
Where I find my shadow?
'Cause I can't go under

I'm falling under you
My lungs are black and blue
Scared I'm gonna lose
I've paid for your abuse
I'm hanging, so cut me loose
Before I'm dissolute

Save our souls
Please don't
Let me go, let me go, while I'm dying alone
(Can't enough
Of your deadly touch
You're not flesh and blood)

Hello (Can't get enough)
Does anyone know (Of your deadly touch)
Where I've left my psycho? (You're not flesh and blood)
'Cause I'm treading water
Hello (can't get enough)
Does anyone know (Of your deadly touch)
Where I find my shadow? (You're not flesh and blood)
'Cause I can't go under
