

Animal Spirits

Vulfpeck

All the world, yeah
All the world, yeah
All the world, yeah yeah
Ooh yeah yeah

This is a true love story song
A triumph, and a Glory song
With only one small caveat
This one hasn't happened yet
It's not the strongest narrative
But details aren't imperative
What matters is the way it ends
They've got sixteen mutual friends

(And she's got)
Animal Spirits
(And he's got)
Heartfelt lyrics
(Put them together)
And you can hear it
It's a song everyone knows
(And she's got)
Animal Spirits
(And he's got)
Heartfelt lyrics
(Put them together)
And you can hear it
It's the way the story goes

Now everyone seems unaware
That these two are a destined pair
But I checked out their astral chart
This one is a work of art
Now I know she reads astrology
And he can't stand astrology
But he's quick with an apology
When he wisecracks the zodiac

(And she's got)
Animal Spirits
(And he's got)
Heartfelt lyrics
(Put them together)
And you can hear it
It's a song everyone knows
(And she's got)
Animal Spirits
(And he's got)
Heartfelt lyrics
(Put them together)
And you can hear it
It's the way the story goes

Oh oh oh
And when the rising action rises
There is only one thing left, and that's the climax
