

# Captain Hook

Vulfpeck

Ahh, P-Mo bomp bobble

This is the story of Captain Hook  
A young Swede that liked to cook up rhymes  
In the bathroom all alone  
Singing hooky hooky gibberish into his phone  
There's no need to steal from Marvin Gaye (no!)  
When the hottest hooks are public domain  
'Cause if Foster Sylvers's got a misdemeanor  
I'll make off with a felony explicit or clean  
Or whatever you need to bleep in the mix  
I still make hits that don't even rhyme  
That aren't even in time

I'm Captain Hook (I'm so catchy)  
I'm Captain Hook (I'm so catchy)  
I'm Captain Hook (I'm catchy baby)  
I'm Captain Hook (I'm so catchy)

Through my veins, the chorus is coursing  
Mainstream and delicious like Orson (yeah)  
Franchise the verse in a spin-off (spin-off)  
I'm climbin' Mount Cleverest on a Wim Hof (yeah)  
I'll make your mother proud of you the family unit  
I'll make your mother proud of you the family unit  
I slow down when others go faster  
Forget the writing, I am the master  
(Go, future, stray) Take delivery  
(Cause on a bank run, I got stability)  
Learn somethin', edutainment  
Focus on your breath, I'm a brain mint

I'm Captain Hook (I'm so catchy)  
I'm Captain Hook (So catchy)  
I'm Captain Hook (I am so catchy)  
I'm Captain Hook (Well uh)

Oh wow  
Wow  
(Aye Joe, let it go)
