

Conscious Club

Vulfpeck

Phew, long flight (long flight)
It's my first night in Berlin and I wanna dance!
Where should I go?

Well er, there's Berghain, or you can go to the Sisyphe
Actually, I read about this place: the Conscious Club?
Ooh, the Conscious Club, with Joe Dart! Vulfpeck is the house band!

Yeah yeah, Vulfpeck, that's it! Do you know how to get there?

Actually, I do but it's very, it's very very complicated

Welcome to the Conscious Club
(Welcome to the Conscious Club)
Conscious and we're filled with love

Welcome to the Conscious Club
(Welcome to the Conscious Club)
Conscious and we're filled with love

Breathe with me
Come everyone
Let's have some good times
Gonna dance our past away

Welcome to the Conscious Club
(Welcome to the Conscious Club)
Conscious and we're filled with love

Welcome to the Conscious Club
(Welcome to the Conscious Club)
Conscious and we're filled with love

Breathe with me
Come everyone
Let's have some good times
Gonna dance our past away

Close your eyes
And earth-dive in this mud
Watch your thoughts
We're going to the Conscious Club
Every night at 9pm
There's a special cab
Get inside and say "I feel"
He'll ask you for your chant

Think of something interesting
This isn't relaxation
If he likes your improvisation
He'll take you to the Amtrak station
There, so close
You're so far from the start
Relax your face and say the password
"It's Dean Dart"

Breathe with me

Come everyone
Let's have some fun
(Gonna dance our past)
(Gonna dance our past)
Away
(Talk or talk with you on the phone)
(1363, walk on along)
Away

Ahh sha ba do ba do ba do ba

The Conscious Club is under a new management
