Darwin Derby

Vulfpeck

Gotta be an early birdy if you want that worm
Gotta get your feathers dirty, you can't wait your turn
Gotta kick the drum like Pretty Purdie, and the track will burn
Gotta win your heat in the Darwin Derby
That's your main concern, that's your main concern, yeah

Everybody's movin', everybody's groovin'
Everybody's movin', everybody's groovin'

Gotta be an early birdy if you want that worm
Gotta get your feathers dirty, you can't wait your turn
Gotta kick the drum like Pretty Purdie, and the track will burn
Gotta win your heat in the Darwin Derby
That's your main concern, that's your main concern, yeah

Shine up your fins and show your teeth
Shake off your skin and clap your feet
Open your wings and start to fly
It's a beautiful day to be alive, alright

Of all the creatures in the sea, my favorite is the bass
It climbs up all the rocks and trees
And slides down on its hands and knees
But why does the shark have teeth?
The shark has teeth to eat, I see
And why does the whale have feet?
Well it- I... don't know...

Gotta be an early birdy if you want that worm
Gotta get your feathers dirty, you can't wait your turn
Gotta kick the drum like Pretty Purdie, and the track will burn
Gotta win your heat in the Darwin Derby
That's your main concern, that's your main concern, yeah

Everybody's movin', everybody's groovin'
Everybody's movin', everybody's groovin' (yeah)

You-o-o-oh, gonna party with you, gonna party with you, uh
You-o-o-oh, gonna party with me, gonna party with me, aye-ee
You-o-o-oh, gonna party with you, party with you, uh
You-o-o-oh, gonna party with me, gonna party with me

Shine up your fins and show your teeth
Shake off your skin and clap your feet
Open your wings and start to fly
It's a beautiful day to be alive, alright

Gotta be an early birdy if you want that worm
Gotta get your feathers dirty, you can't wait your turn
Gotta kick the drum like Pretty Purdie, and the track will burn
Gotta win your heat in the Darwin Derby
That's your main concern, that's your main concern, yeah

Shine up your fins and show your teeth
Shake off your skin and clap your feet
Open your wings and start to fly
It's a beautiful day to be alive, alright
