

# Tender Defender

Vulfpeck

We didn't mean to get angry  
We didn't mean to get mad  
And we can't say that it won't, babe  
Won't ever happen again  
But I can tell you one thing  
When nothing is making sense  
I wanna bring you closer  
I wanna hold your hand

I wanna be your tender, defender  
For always, forever  
Always through the hard times, remember  
You gotta tender, defender  
Tender defender

We didn't end on a good note  
We didn't sleep through the night  
Running away from the monster  
That we both buried alive  
Well I'm gonna hold a mirror  
And you're gonna shine a light  
And we're gonna face all our fears babe  
We're gonna win this fight

I wanna be your tender, defender  
For always, forever  
Always through the hard times, remember  
You gotta tender, defender  
Tender defender

The warrior's aware the work is never done  
The war is never won  
But it still defends  
And that's a-who I am

I wanna be (tender, defender)  
(Always, forever) Always  
Always through the hard times (Through the hard times) Remember  
You've got a tender defender  
Tender defender

Tender defender  
Tender defender  
Tender defender  
Ooh, yeah yeah yeah yeah, yeah yeah  
Tender defender  
Yeah
