He has gained the knowledge which he sought when he pierced through into our dimension!

Who has the daring to call him here and usher our kind into certain extinction?

He has worked his way into the shroud of mystery

Disguised as an affluent

True evil manifested in one council bent on global destruction!

"Enslave them all! This sphere is already ours!

Instigate a one world government and we shall rule forevermore"

Families like the Rothschild's and the Rockefeller's can kiss their ass's goodbye!

Praenuntius has begun his feast! Morphing into monstrous size, bodies fling into his jaws!

All the people of 'power'
