

## Alien Blues

Vundabar

Was it the best you ever had?  
Was it the worst? You'd never know  
I'd try to tell you what I think and play it off like it's a joke  
Oh no, more surprises, guess it's like this  
I'd do anything for you, Mrs. Highness

Do-do-do-do-do-do-do-do  
Do-do-do-do-do-do-do  
Do-do-do-do-do-do-do-do  
Oh-oh, oh-oh, oh-oh  
Do-do-do-do-do-do-do-do  
Do-do-do-do-do-do-do  
Do-do-do-do-do-do-do-do  
Oh-oh, oh-oh, oh-oh

The sun is fun, the land is dandy  
I only talk to dogs because they don't understand me  
My teeth are yellow, hello world  
Would you like me a little better if they were white like yours?  
I need to purge my urges, shame, shame, shame  
I need an alibi to justify, somebody to blame  
It's a halibut, "party bitch", give it a name and say, "Hey, hey"

Do-do-do-do-do-do-do-do  
Do-do-do-do-do-do-do  
Do-do-do-do-do-do-do-do  
Oh-oh, oh-oh, oh-oh  
Do-do-do-do-do-do-do-do  
Do-do-do-do-do-do-do  
Do-do-do-do-do-do-do-do  
Oh-oh, oh-oh, oh-oh

Do-do-do-do-do-do-do-do  
Do-do-do-do-do-do-do  
Do-do-do-do-do-do-do-do  
Oh-oh, oh-oh, oh-oh  
Do-do-do-do-do-do-do-do  
Do-do-do-do-do-do-do  
Do-do-do-do-do-do-do-do  
Oh-oh, oh-oh, oh-oh
