

## Diver

Vundabar

And I am  
A deep sea diver  
And I've been  
Underwater  
A long time  
I can't remember  
Which one  
Which one's wetter  
Wetter, wetter, wetter

Papa  
What are you lookin' for down there?  
"I am a diver, 'cause I couldn't take the air"

And I've been  
Thinking about my  
Sinker  
Is it lead or silver?  
I can't remember  
Which one  
Which one's better  
Better, better, better

Papa  
What are you lookin' for down there?  
"I am a diver, 'cause I couldn't take the air"  
Papa  
What are you lookin' for down there?  
"I am a diver, 'cause I couldn't take the air"
