

Easy Does It

Vundabar

Take me to the coast, baby, take me away
Bore our lives and tore our ties, I'm headed for the bay
Take me to the coast, baby, get me away
I forgot your eyes but I still feel them as an ache

So we drove along
And we drove all day
And we found our song
In the pouring rain

Easy does it, easy does it
Easy does it, easy does it
Easy does it, easy does it
Easy does it, easy does it
Easy does it, easy does it
Easy does it, easy does it
Easy does it, easy does it
Easy does it, easy does it
We're headin' for the cliff

Take me for a fool, baby, take me any way
Melting coast, the windshield, rain, top down, melt the brain
Take me to the cliffs, I wanna see the breakers break
One million tiny stones and we're just tossing in the wake

So we drove along
With the radio on
And we lost our song
In the pouring rain

Easy does it, easy does it
Easy does it, easy does it
Easy does it, easy does it
Easy does it, easy does it
Easy does it, easy does it
Easy does it, easy does it
Easy does it, easy does it
Easy does it, easy does it
We're headin' for the cliff

Bitter, bitter bit of breeze
Thin FM frequency
Bitter, bitter bit of breeze
I'm in agony
Bitter, bitter bit of breeze
Thin FM frequency
Bitter, bitter bit of breeze
I am in agony

Bitter, bitter, bitter breeze
Thin FM frequency
Bitter, bitter, bitter breeze
I'm in agony
Easy does it, easy does it
Easy does it, easy does it
Easy does it, easy does it
Easy does it, easy does it
Easy does it, easy does it
Easy does it, easy does it

Easy does it, easy does it
We're headin' for the cliff
