

Idea

Vundabar

You should've known it
You should've known it

I'm a bit of the past
Repurposed and rehashed
My life's on the TV
I play it on repeat

I like the idea of
Liking the idea of
Make me into pavement
And put me in the street

Smile if you can
You've got to keep it in
Oh, what to do about it?

You should've known it
You should've known it
Dadadada, ooh wee ooh
Dadadada, ooh wee ooh
Dadadada, ooh wee ooh
You should've known it

I am only better
Because I have bed her
I could fight a bettor
Now look, Ma, I'm a winner

I'm an unlit match
Laughing at the ash
I will never burn
So you'll never do it back

Smile if you can
You've got to keep it in
Oh, what to do about it?

You should've known it
You should've known it
Dadadada, ooh wee ooh
Dadadada, ooh wee ooh
Dadadada, ooh wee ooh
You should've known it

Dadadada, ooh wee ooh
Dadadada, ooh wee ooh
Dadadada, ooh wee ooh

You should've known it
You should've known it
You should've known it
Yeah
