

# Let Me Bleed

Vundabar

Baby, please have mercy  
Let me bleed out in peace  
Let me watch the sun burn ever-bright  
As the dark comes in on all sides  
Let me fumble for my matches  
In the dust, one more cigarette  
Find a paper not yet soaked through  
With blood

Help me help you  
I'm going to, I'm going to  
But baby, please have mercy  
Just let me bleed, just let me bleed  
Just let me bleed

Bleed  
Bleed  
Bleed

One more cigarette (Bleed)  
Doesn't get much better than this  
I'll die, let me bleed  
Mercy, mercy me (Bleed)  
One more cigarette (Bleed)  
Even though the devil does the red sun set (Bleed)  
I'll die, let me bleed (Bleed)  
Mercy, mercy

Let me bleed in peace  
You keep a piece of me  
Oh, mercy, please, baby  
Just let me bleed  
Bleed

One more cigarette  
Even though the devil does the red sun set  
I'll die, let me bleed  
Mercy, mercy me

Help me help you  
I'm going to, I'm going to  
But baby, please have mercy  
Just let me bleed, just let me bleed  
Just let me bleed  
Bleed
