

Never Call

Vundabar

Why would you-
Why would you call?
Why would you-
Why would you call?

When you're calling me up
I'm wired and shut now
You're calling me up
But I cannot get up now

But I don't mind
No, I don't mind
I just need some time
I just need some time

When you're calling me up
To make myself up now
A cauterized cut
Better seal myself shut now

But I don't mind
To waste your time
I'm no station sign
On your train line
When you're calling me up

And you don't ever call me
And you don't, and you don't ever call me
No, no, you don't
And you don't ever call me
And you don't, and you don't ever call me
No, no, you don't
And you don't ever call me
And you don't, and you don't ever call me
No, no, you don't
And you don't ever call me
And you don't, and you don't ever call me
No, no, you don't

So why would you-
Why would you call?
Why would you-
Why would you call me now?
