

So every time you walk
You turn my whole world stars
Sailor on the old plateau
So everybody knows

Look in those eyes
I need your life
Go rest and lay
So go to lay

We don't, we don't want to hurt you
Barely walk to plateau
I don't think I hurted you
We don't want to hunt you
We don't take, we hold you
Barely walk to plateau
I don't think I hurted you

I'm talking to myself
Look up once on the show
Man, a simple one was there
I'm ready for this moment

It's all for show
In darker colour
Down deep, break me
Who cares on what they've seen on the plateau

We don't, we don't want to hurt you
Barely walk to plateau
I don't think I hurted you
We don't want to hunt you
We don't take, we hold you
Barely walk to plateau
I don't think I hurted you

We don't, we don't want to hurt you
Barely walk to placement
I don't think I hurted you
We don't want to hunt you
We don't take, we hold you
Barely walk to placement
I don't think I hurted you

We don't, we don't want to hurt you
Barely walk to plateau
I don't think I hurted you
We don't want to hunt you
We don't take, we hold you
Barely walk to plateau
I don't think I hurted you

Oooh, oooh, aaah, aaah, oooh, oooh, aaah, aaah
