

# Like Fire

VV Brown

Wow, this feels so real  
Shit, it feels so good  
The way you make me feel  
It can't be understood  
You light me up like fireflies  
When you look at me

When you hold me in your arms  
I feel something  
I've never felt that I never felt before  
It feels so good  
I'm a magical balloon flying the high

When you take me in your arms  
I feel like...  
This is amazing  
This feels like fire  
This is amazing  
This feels like fire

Fuck, this feels surreal  
Like [?]  
Addicted to your body  
Addicted to your love

When you hold me in your arms  
I feel something  
That I've never felt before  
It feels so good  
I'm a magical balloon flying so high

When you take me in your arms  
I feel like...  
This is amazing  
This feels like fire  
This is amazing  
This feels like fire

Nothing ever felt like this  
A crazy, crazy dream  
Turn off all my molecules  
For things I've never seen  
I cannot believe the creatures  
They sing the songs you put through touch  
I feel like I'm flying, flying, flying, flying

I feel amazing  
I feel like fire  
This is amazing  
This feels like fire
