No, no

Yeah, I know you Deliverance is here, I'm ready to love Now that we're here We got a new find And put it on the rain Shed in spite If only one time Tell me what they want from me I gave them everything they need Society won't let us bleed And I'll be right here 'cause we got no fear 'Cause our back's against the wall We feel uncomfortable Happy to present the love Lost, we ain't in the sense of us Consensual, consensual I perceive the word is still against us That's the fact We can only hope and try Like the catcher in the rye Society will pass us by We got no fear, we got no fear Tell me what they want from me (Tell me what they want from me) Tell me what they want from me (Tell me what they want from me) Society won't let me be I ain't scared 'cause we here with no fear We got no fear (With no, no fear) I got no fear, I got no fear Society can try and break me down But I won't die in vein I got no fear, I got no fear There's a story no one hears Society can never break us down I'm ready to love (Ready to love) I'm ready to love (Ready to love) Arts against us (Arts against us) Ready to love (Ready to love) I'm ready to love (Ready to love) I'm ready to love (Ready to love) Arts against us (Arts against us) Ready to love (Ready to love) Tell me what you want from me (Tell me what you want from me) I gave 'em everything they need (I gave you everything you need ) Society won't let me bleed (Society won't let me bleed) But I'll be here (But I'll be here) with no fear We can only hope and try (We can only hope and try) We can only catch the lie (We can only catch the lie) Society will pass you by (Society will pass you by) We got no fear (We got no fear, no fear), we got no fear (We got no fear, no fear)

We got no fear

Only make love

We got no fear, no fear

We got no fear

We got no fear

We can make love

We got no fear, no fear

We got no fear

We got no fear

We can make love

We got no fear, no fear

We can make love

We got no fear

We got to make love

We got no fear, no fear
