

# Substitute For Love

VV Brown

How can this be all  
Keep my feet on solid ground  
Forever biding  
Watch me as I leave

Give me your time  
Give me your space  
Give me your heart  
I don't know why it's going  
To decide for us

Give me your time  
Give me your space  
Give me the entire human race  
Give me your heart  
Give your lie  
I call this treason

I'm your substitute for your love  
Hold me down now  
I'm your substitute for your love

I'm your drug  
I'm your heroin  
The inside you're there  
You'll let me in

I'm your substitute for your love

Hold me where you need me  
I will be your slave  
There's a necessary way  
All the way

Give me your love  
Give your heart  
Hold me when you near  
When you come around  
I'll be your crutch  
Cause there's no need to call me  
I'll be waiting there

I'll be your one  
I'll be over  
I'll be your necessary there  
How did it all  
How did it all  
It doesn't matter  
Where did all go wrong

I'm your substitute for your love  
Hold me down now  
I'm your substitute for your love

I'm your drug  
I'm your heroin  
The inside you're there

You'll let me in

I'm your substitute for your love

I'm on my knees

I'm begging please

Won't you join me

I'll be the one for life

I'm your substitute for your love

Hold me down now

I'm your substitute for your love

I'm your drug

I'm your heroin

The inside you're there

You'll let me in

I'm your substitute for your love

I'm your substitute for your love

Hold me down now

I'm your substitute for your love

I'm your drug

I'm your heroin

The inside you're there

You'll let me in

I'm your substitute for your love
