

Will You Wait

VV Brown

Will you pray?
Will you tire?
Will you take?
Will you fire?

Will you stop?
Will you desire?
Will you drop?
Will you admire?

Will you fade?
Are you brave?
Will you fail?
Will you cave?

Will you fly?
Will you sail?
Will you cry?
Will you bail?

Will you grow?
Will you sow?
Will you change?
Will you try?

Will you be patient?
Will you work hard?
Will you listen?
Will you starve?

Will you run?
Will you never stop?
Will you keep trying?
Don't you give up

Will you chase mountains?
Will you be tough?
Will you say forever?
Will you sacrifice and give it all up?

So, don't let go
Don't listen to them
You can climb that mountain
You can do what you wanna do

So, don't let go
You can climb that problem
Will you keep on holding on?
That I find the guts to keep on going

Will you keep on fighting?
Will you keep on floating?
Will you keep on moving?
Even though they may say don't

Will you keep on writing?
Will you keep on learning?

Will you keep confessing?
Will you keep thoughts in your best fit?

Will you keep believing?
Will you keep persisting on?
