

Best Baby Daddy

Vybz Kartel

Ask Leng or Pilot
Any youth me get, me mine that

Me a the best baby daddy
Fi you baby, you baby
B-a-baby
Best baby daddy
Fi you baby, you baby
B-a-baby

Come be me baby mother
What you want, the son, the daughter
You and the baby nah go suffer
Me a the best, best, best baby father
If the baby born November, you turn millionaire December
You and the baby nah go suffer
Me a the best, best, best baby father

Me pay fi the strollers and the walkers
Me pay fi the Huggies and the pampers
Me pay fi the high chair and the play pen
Every toy at the mall, girl, and it's all yours
Night light 'pon the crib with the pretty tall birds
The Hines and the Gerber kiddy orderives
And whenever you feel like you want more kids
Mek me squeeze you and hug you and many more verbs

Baby
Lactogen free, Enfamil on me
You nah fi buy no milk powder
Alecto for the baby
Baby
Lactogen free, Enfamil on me
You nah fi buy no milk powder
Alecto for the baby
Hey!

Come be me baby mother
What you want, the son, the daughter
You and the baby nah go suffer
Me a the best, best, best baby father
If the baby born November, you turn millionaire December
You and the baby nah go suffer
Me a the best, best, best baby father

Me pay fi the pre-school and the day care
Collage money put down and it a wait here
Him a lead by ten step, even the prep-school this year
Me pay last year
Me buy you a big van fi you gawn stair
Full a shoes, full a clothes, full a false hair
That's why me baby mother dem love me so
When dem see me a come dem seh see the boss there

Baby
Lactogen free, Enfamil on me
You nah fi buy no milk powder

Alecto for the baby
Baby
Lactogen free, Enfamil on me
You nah fi buy no milk powder
Alecto for the baby
Hey!

Come be me baby mother
What you want, the son, the daughter
You and the baby nah go suffer
Me a the best, best, best baby father
If the baby born November, you turn millionaire December
You and the baby nah go suffer
Me a the best, best, best baby father

If you hear the baby cry
She waan the pacifier, she waan the soother
She have the cold
Gi' her two table spoon a the pipe water
Or one stick a matches
Press it 'pon her mole
Take care a dem when dem young
And dem take care a you when you old

Come be me baby mother
What you want, the son, the daughter
You and the baby nah go suffer
Me a the best, best, best baby father
If the baby born November, you turn millionaire December
You and the baby nah go suffer
Me a the best, best, best baby father

Me a the best baby daddy
Fi you baby, you baby
B-a-baby
Best baby daddy
Fi you baby, you baby
B-a-baby
