

Blood Bath

Vybz Kartel

Blood bath nuff blood Jacuzzi like a gangster movie
Based pon a true story we ramp we pow
Ask rorey we gangsters wid the hormones
Bad boy like shawn comes
War fear every people feds a search a buck up dog bones
Baby G wi do yo friends like weh wid Scarface in a di last path
Murder unu rass cloth di war start
Couple benelipeble an di heckle meck it sekkle
Mi point in di glock 19 through di window people level
Bullet from di parabellum to yo cerebellum poison like a venom
from di cobra
When him si di teck him waan fi disappear abracadabra
Circle few more a dem friend dem in a di black tin tin do Honda
Markey change di lisence number right
Ready fi get away driving like lightening ofter bullets role li
ke thunder right
Dem deh naw go live another fucking night
We have guns weh di nozzle big like [?] dust
Bulletproof Benz truck wid us
People life wi stuck wid us

Hmmmmmm shot fly through eyes
I walk through city
Daark cloud right around you
For you there is no tomorrow

Help me I can sleep at nights
Father help me bring me back to life
Hmmmmmm

Rest mi gun pon bwoy big head back an press boom
A straight mash potato left
Burn dem skin like insects
Gaza daemon wid di X
War bird wi no break progress
Buss head tear bwoy chest
Bwoy head lift off when di pumpy kick off
Oh yea yea yes
I must be leaving me alone
Can't find my self my heart my own
Does who trouble hi trouble hi trouble me trouble me will get b
lood
Please help me find my own
