

## British Love

Vybz Kartel

Baby girl, me love you so  
Come inna me house mek me touch you nuh  
Whole heap ah man waan get to you  
But like baby to momma me check to you

B-B-B-Bubble like Pepsi-co  
Me got the oil like Esso like Texaco  
And if you're cooler than an Eskimo  
Me will warm up your body to the best you know

Keep it coming love, here we go again  
I got your body warmer than the Caribbean  
And if you ever feel like I don't love you then  
I got news for you like CNN  
You're not a virgin, you've been with many men  
I'm not a saint, I've been with many women  
Some say I'm a dog some say I'm a gentleman  
Some say mi bleached out and white like Eminem  
But what I'm saying yeah is that I love you, love  
And I'll never put no one above your love  
Come, let's have a drink at the pub, yeah  
And later on we can party at the club, yeah  
I wanna wake up with you in the morning  
And Watch the sun rise, crack of dawning  
Breakfast in bed, that's not me  
Come in the kitchen, let's have a cup of tea!

I'll do anything for you  
Would you do anything for me!  
G-G-Girl me love you so  
C-Come inna me house mek me touch you nuh  
G-G-G-Girl me love you so  
C-Come inna me house mek me touch you nuh

Let's have a chat, come discuss the future  
And how I'm gonna make the cupid shoot ya  
I'm in the tropics, you're in the freezer  
But how it's ah go work?  
Me nah have nuh visa  
Turn on the radio, uhm yes good!  
Listen Robbo Ranx, listen Tim Westwood  
And every single love song that they're playing  
Are like my words to you I'm saying  
I'm not a catholic, I'm not a Christian  
I'm just a youth from the ghetto like Brixton  
I'm in love with a pretty little rich girl  
Take my hand, let me take you in my world  
Fairy tale wedding, one in a million  
Like princess Kate and prince William  
Till death do us part, say when, forever and ever, amen!
