

Me and the toll alone a lock the road, lyrics by the the factory load
Who borrow me style fi know say dem owe me 'pon the load
We a mega star, so everything we do it haffi show
"Look he put in braces, look he just went to court"
It's on entertainment report
How dem waan fi test the best weh ever come from Jamaica?
Dawg, that's just a figment of unno imagination
Addi bad before father time, fuck mother nature
So me bad before the very beginning of creation
Gyal a gi' me pussy, so me haffi bun the panty raper
Dawg, if you love to red so much, mek you no buy tomato
If you dream fi run the place, me tell you, try no wake up

Kremlin a get dem out, Rvssian inna town
Addi have the crown, that's how dynasties evolve
Represent a weh you from, Waterford enuh
Portmore a our drugs, Waterford enuh

Kremlin a get dem out, Rvssian inna town
Addi have the crown, that's how dynasties evolve
Represent a weh you from, Waterford enuh
Portmore a our drugs, Waterford enuh

Kyro get a almanac, bet unno say Adidja a
A go run the place all when me .50, what a caliber
Higher than the Dutch inna the coffee shop
So me trick the trickster with the dove inna the magic hat
Huh, see say dem a copy cat
A no nothing that me a the prototype, the quintessential
Nuff a go drop out, the flex alone a gi' dem indigestion
Pepto Bismal lock the pharmacy inna the pussy section
While you there, wash your dutty heart with some disinfectant
Nah go tek you more than 'bout a hour, sixty, sixty seconds
Addi a the king, the boss, the don, me nah fi run election
Fittest a the fittest, call it natural selection

Kremlin a get dem out, Rvssian inna town
Addi have the crown, that's how dynasties evolve
Represent a weh you from, Waterford enuh
Portmore a our drugs, Waterford enuh
